

Sweet treats without the calories

Need a small token of affection for a friend or relative on Valentine's Day? Lolly Ella, a community-minded jewelry boutique in West Bloomfield Township, offers these too-cute-for-words ceramic cupcake jewelry boxes (\$15) and made in Michigan ceramic heart ornaments and "Hang on to love" trinket holders, \$7.50-\$10. Several heart-related promotions are ongoing through February at the store, 6706 Orchard Lake Road, with monthlong customer donations and a portion of proceeds during a Feb. 12 Valentine's Bash going to the Ministrelli Women's Heart Center at William Beaumont Hospital, Royal Oak. Shoppers that day may get 20 percent off one item and learn about heart disease, a leading killer of women. Refreshments will be served and a makeup artist will do eyebrow waxing and eyelashes at a special rate for those with advance reservations, (248) 851-3325. Check www.lollyella.com.
